— Soft Skills: Proactive Communication, Attention to Detail, Adaptability , Ownership & Initiative

🪪 CERTIFICATES

- Coding Ninjas - DSA course 🔗

- Technology Virtual Experience Program, Deloitte (Forage) — hands-on modules in coding, data analysis and development 🔗

- Agile Methodology Virtual Experience Program, Cognizant (Forage) — practical training in Scrum, user stories, ceremonies and Agile tools 🔗

- HackerRank problem solving 🔗

- AWS Academy 🔗

🎓 EDUCATION

Masai School
Software Development
10/2024 – Present

Kalinga Institute of Industrial Technology
Bachelor of Technology in Computer Science & Engineering
10/2020 – 09/2024 | Bhubaneswar

📂 PROJECTS

OneShop E-Commerce Platform 🔗

- Built a full-stack e-commerce application using MERN stack with TypeScript and Tailwind CSS
- Implemented JWT-based authentication with role-based authorization and protected routes with React Router.
- Developed RESTful API with Express.js and MongoDB for product management, featuring dynamic catalog with category filtering and search functionality.
- Integrated Stripe payment gateway with shopping cart management and order tracking for users.
- 🔗 **GITHUB**

SmartParking System 🔗

- Built a full-stack parking management application using MERN stack
- Implemented JWT authentication, RESTful API, and real-time parking space availability tracking with dynamic pricing across multiple locations.
- Developed booking system with payment processing (Stripe integration), automated notifications, and referral program with reward tracking.
- 🔗 **GITHUB**
